

# St. Raphael the Archangel

## Science

### Kindergarten 2017-2018

Learning Goals- Students will:

#### Thematic Units

1. Explore and investigate a variety of science topics based on themes. (Seasons, holidays, topics aligned in our reading series)

#### Physical Development

1. Use fine motor skills with purpose and control. (Tie shoes, buttons, zippers)
2. Identify left and right on self as well as on paper.
3. Walk down the stairs using alternate feet.

#### Health and Self-Care

1. Practice healthy behaviors. (Personal hygiene, tucking in shirt, washing hands and face)

#### Safety and Procedures

1. Practice safe procedures. (Fire, tornado, earthquake, intruder drills)
2. Knows and follows safety rules in the classroom, on playground, and in the

cafeteria.
