St. Raphael the Archangel Summer Camp

Welcome! We are excited to have your child join us for our 15th year of summer camp here at St. Raphael. We have an exciting summer camp program for the children, and we look forward to working with you and your child.

Our main goal is to provide days filled with creative and fun activities that help your child develop cognitively, physically, socially, and emotionally. We will explore the wonders of the world around us with outings, adventures, and exploration. Together we can achieve the very best experience for your child.

We value your opinions and welcome your comments, questions, or concerns about your child's experience at camp. We strive to provide a fun and educational environment that steps outside the bounds of most traditional camps. We want our children walking away from camp saying,

"I can't wait for next year!"

It is important to review the summer camp handbook so you can familiarize yourself with camp policies. At the back of the handbook, you will find pages that need to be filled out signed and returned before camp or the first day of camp. If we do not have these pages filled and signed, your child cannot stay at camp for safety purposes. This is very important! Should you need to reach us for any reason, you may call the school at 314-352-9474 or contact Gretchen Decker at 314-805-9895 (please leave a voicemail with your name, number, and small question if I don't answer) or decker@straphaelarchangel.org

Thank you for your time and we look forward to seeing you this summer!

Special Message from Miss Gretchen Decker:

I'm so excited to be joining the summer camp crew this year! Qi and I are planning great things for your children to enjoy throughout the summer and want to ensure a wonderful time for everyone. If you have any suggestions for what we could do throughout the summer, send an email an email my way!! I always love to hear what's great out there, and we're always willing to try something new. Thank you and I hope to see your child sometime this summer
